

Gardiner Museum Summer Camp 2020

Welcome back for another fun filled summer at the Gardiner Museum. We've made some changes this year, so please read through this important camp information.

We offer week-long clay-based summer camps for children ages 6 - 14. Campers take part in creative studio and gallery experiences, working alongside professional artists, as well as our amazing camp counsellors and volunteers.

This year, we're offering three different camp experiences: morning sessions for ages 6 - 8, full day sessions for 8 - 12, and wheel workshops for teens and tweens. Visit the Kids Camps page on our website for the full list of options and to register.

Please note: We offer kids camp scholarships through our Summer Camp Access Fund for those who qualify. Space is limited and are scholarships are awarded on a first-come first-served bases. Visit the Kids Camps page on our website to fill out the application form.
