

SALT CLAY ACTIVITY

Think of something that makes you happy and to sculpt it out of salt clay using the recipe below. It could be a pet, a special book, a favourite food, your family, or anything else that makes you feel good. Take a photo of your work and post it using **#GardinerFromHome**.

- 1) Mix 2 cups of flour and 1 cup of salt
- 2) Add 2 tablespoons of vegetable oil
- 3) Slowly add 3/4 to 1 cup of water, mixing until it forms a dough
- 4) If you want to add colour, separate the dough into sections and add a few drops of food colouring to each
- 5) Start sculpting

- 6) Once you've finished your salt clay creations, you can bake them in the oven for 1 hour at 250 F or simply let them air dry for 2-3 days
